Mackinaw High School Food and Clothing Pantry

Prior to the start of the 2018-19 school year, staff at Mackinaw High School organized and implemented the Mackinaw Market. The Mackinaw Market is a free food and clothing pantry for current Mackinaw students and their immediate households. Mackinaw's staff and other volunteers open the Market on the last Friday of each month of school. On average, about 30 different Mackinaw families attended the event. Most families took home enough food for 3-5 days. "It was great to see our families walk out of the Market with carts full of food," said Alan Kern Principal at Mackinaw High School. "The goal of Mackinaw High School is to help our students grow and graduate high school, but it can be hard for students to focus when they are worried about being hungry. So we started this program and we secured funding from the Saginaw Township Community Schools Foundation. "We are thankful to the other schools in Saginaw Township for running food drives. We connected with Hidden Harvest and the Eastern Michigan Food Bank to gather the food and resources needed to make this happen," Kern said. The Market will be open again this coming school year to current Mackinaw students. Over the course of the school year, the Market gathered and gave away approximately \$7000 worth of food and clothing to their students and immediate households!

Open TechTime - new format

STCS Elementary After-School Pick-up Open TechTime Program!

Open TechTime is an after school pickup-up program, giving parents enough time to pick up one child (picking up Kindergarten, 1st, and 2nd grade students first) and then getting to the 2nd elementary school to pick up siblings. **Open TechTime** is held in Arrowwood, Hemmeter, and Weiss computer labs. **Students with siblings have preference.**

Students must be pre-registered and there is a **\$25 Registration Fee** (new this school year)

If students are in 3-5th grades and have a younger sibling at a different STCS elementary school, there is no monthly fee for **Open TechTime**. The student must be listed as a sibling in the school Skyward system. Students must be picked up no later than 3:10 pm.

For 3- 5th grade students who do not have siblings at a different STCS elementary school, or 3 - 5th grade students who choose to stay later, **Open TechTime** will be open until 3:45 pm each school day (or 1 hour after school ends on half-days). Students will have access to technology devices they bring, access to programs on the school's computers, or can just hangout. A monthly program pass is \$40 (\$30 in December and \$20 in June).

For those wanting to purchase discounted passes, the September - January pass is \$180. For a September - June (school year) pass, the fee is \$350.

Payment Information

Monthly payments are due the first school day of each month at the Community Education office, over the phone (797-1847) with a credit card, or online at www.celighthouse.org. Please do not pay at the school.

To enroll your 3rd, 4th or 5th grade student in **Open TechTime**, stop into the Community Education office for a brochure and complete an Enrollment Card!

Alumni Board

An Alumni Board at Heritage H.S. (on a hallway wall to the Heritage Cafeteria) is used to highlight past graduates from Saginaw Township Community Schools. The board includes a photo and biography of the Alumni's achievements and accomplishments since they graduated. If you know of an Alumni who would like to be highlighted, visit the Alumni website page at www.stcs.org/District/Portal/Alumni for examples and instructions, or call Steve Elliott at 989.399.8029.

SCHOOL DAY VISITORS TO OUR SCHOOLS

Each of our school building main entrances has a door buzzer system used to provide a level of security for gaining access to the school.

ADOPT A SCHOOL – WEEDING & LANDSCAPING!
 Would you like to help us keeping our schools looking good on the OUTSIDE? Community Education would like to offer community members with an opportunity to "Adopt" one of our schools to assist with the never-ending weeding and basic landscaping! Interested? Call us at 797-1847 or email commmed@stcs.org. Our Community Schools Organizers will help coordinate a schedule!

The Saginaw Township Community Book Read in 2009 was **"Seedfolks,"** by Paul Fleishman. The book was about 13 different people who transformed a vacant lot into a "community" garden. And it just wasn't about the plants. It was about people getting to know people, people who they lived near but did not know. By gardening, a community connection blossomed!

What transpired from the read, facilitated by Saginaw Township Community Schools' Community School Organizers Colleen Carty, Cathi Kerns, Linda Perry, and Chris Tiderington, was nothing but awesome! A partnership was formed with Saginaw Charter Township and through the effort of Bridget Smith, an area behind Center Courts became the **Common Grounds Community Gardens!**

Several Eagle Scout projects added to the garden: compost bins made and donated by Andrew Rangitsch from BSA Troop 312; raised handicapped beds by Mike Tighe; and the Common

Ground sign project by Joey Galus. In 2011, the Rotary Club of Saginaw Valley funded the building of a small pavilion.

Stop by to see the various crops and flowers and visit with the gardeners!
