NEW! HOW TO CLEAN YOUR PC/MAINTENANCE/VIRUSES

Maintaining your computer is essential to the performance and longevity of your new investment. In this class, we'll learn about the inner workings of your computer and how maintenance keeps your computer in top running condition. We'll also discuss Viruses, Malware, Spyware and other issues that users need to be aware of. We'll also learn how to deal with these threats and protect ourselves in the future. Instructor is Gary Holik.
