

Community Education After School Activities Club (ASAC) Handbook Notification

It is very important that all parent(s)/guardian(s) understand the rules/policies of the ASAC programs. These rules/policies are spelled out in detail in the ASAC Handbook. Taking the time to read these documents helps avoid issues in the future.

- I have received a copy of and read the After School Activities Club Handbook.
- I understand that the After School Activities Club's Handbook may not cover every issue that arises and as a result creates the need for communication between the ASAC Directors and staff and myself.
- I understand that I am held accountable for these policies while using the ASAC program.
- I understand that Community Education reserves the right to change these policies and will notify me in writing as soon as possible after any changes have been made.

I have read and agree to all the rules/policies set forth in the ASAC Handbook.
