

STCS Tip of the Month

How do I know if I have Skyward Access?

1. Go to the STCS website (stcs.org) and click the 'Parents' tab near the top, choose 'Skyward Family Access' in the dropdown menu.
2. Once you click 'Skyward Family Access', you will see the log in box:

The screenshot shows the Skyward login interface. At the top is the Skyward logo and the text 'Saginaw Township Community Schools Student System'. Below this is a login form with a 'Login ID:' field (highlighted in green), a 'Password:' field, a 'Sign In' button, and a 'Forgot your Login/Password?' link. There is also a 'Login with Google' button. The IP address '05.22.10.00.10' is visible at the bottom right of the form area. At the very bottom, there is a 'Login Area:' dropdown menu with 'Family/Student Access' selected.

You will enter your credentials here. ****Make sure the Login Area says Family/Student Access**** If you do not know your credentials, please call your student's school and you will be emailed a link (it could take up to 24 hours to come through).

Why do I need Skyward Access?

Student grades and missing assignments

Entering your student absent

Viewing your student's report card

Viewing attendance letters

Returning Student Verification (RSV) for annual renewal, online courses & sports
